Thank you for your interest in being a **Dolphin Dude or Dudette**. This is a program to help promote parent volunteers and build positive relationships for our students.

What are we looking for?

We will take as much or as little time as you have! You can come for a full day, half day, or an hour. (Note: if only an hour please contact Mrs. Neylon to sign up)

You can even get volunteer hours or credits through your place of employment.

What would a Full Day look like?

What Does working with Students Look Like

- Read a book to a student or entire classroom
- Listening to a child read a book to you
- Asking a student questions about a book they are reading
- Helping with math games
- Assisting students with editing their writing
- Monitor the playground for safety
- Review math flash cards with a student
- Sitting next to a student during a lesson to help them with the task.

What else you need to know...

We always make sure you have time in each of your children's classrooms. All players are MVP Dolphin Dudes. This means we want YOU! All volunteers have a gift to give. You coming to help means a great deal to us and our students.
